

Mirka Abranet MAX Sanding Belts - 100 x 610mm - Pack of 10

Abranet Max is a universal net abrasive suited for a broad variety of sanding applications and is especially developed for the wood industry. Due to the net structure it resists clogging on resinous wood types and soft materials, and the sanded surface stays cooler and avoids burning. The tough aluminium oxide grain gives a high cut rate on harder wood types and materials. The symmetric net structure enables an efficient cut and stock removal. Lower pressure is needed and a more consistent surface finish means minimal quality variations in the process when sanding with Abranet Max. Abranet Max features a long lifetime, and thus save you both time and money. Abranet Max is also well suited for applications where water is used as cooling agent.

Size: 100 x 610mm

Pack of 10.

Price

Abranet MAX - 100 x 610mm - 120 Grit (Pack of 10) (Product reference 10006-28812)	£18.50
Abranet MAX - 100 x 610mm - 150 Grit (Pack of 10) (Product reference 10006-28813)	£18.50
