

# 840 Series Spindle Gouge - Standard Type

These are detailing tools used on between-centres work where the grain is running parrallel to the bed.

Spindle gouges are used to create coves, beads and other profiles on spindles, goblets, vases, bed posts, newels and other spindle projects.

The 1/4" and 3/8" gouges are fitted with 10" handles and measure 16 1/2" overall, while the 1/2" and 3/4" measure 18 1/4" overall and feature 12" handles.

\*\*\* By purchasing this product, you are confirming that you are AGED 18 or over and that the person receiving the delivery is also over 18. Please note that we do occasionally ask for proof of age. \*\*\*
