

Extra Long Combination Spanner 7XL

Slim jaw and jaw walls help to reduce overall weight.

Jaws precision ground to exact nominal size for optimum contact area.

Ring offset at 15° to allow for clearance.

Extra long shaft offers greater leverage and allows work in deep recesses.

Ideal for extremely tight joints.

Price

7mm Jaw - Overall length = 160mm (Product reference 2956-4671)	£7.49
8mm Jaw - Overall length = 170mm (Product reference 2956-4672)	£7.69
