

Flexi Vision Floor Lamp

This product is the result of extensive research and collaboration with the RNIB and other low vision specialists. The 20w Daylight™ energy saving bulb reduces glare and improves contrast allowing you to work for longer in optimal comfort. With the new multi-swivel system and flexible arm, you can direct the light exactly where you need it. The Flexi-vision™ Floor lamp is also one of the safest lamps on the market with clear on/off switch location, anti-trip cable holders and low-heat shade.
