

Festool TS55R with TWO rails, jointing bars and bag

Festool's new plunge saw is being offered for a limited time in an incredible offer

The TS55R machine itself, complete in a new "T-Lock" Systainer case

TWO 1.4 metre guide rails

The jointing bars required to link the rails when working on larger sheets

A protective carry bag for the rails and joining bars

Machine Features and Specification

- Maximum flexibility thanks to flat housing for minimum wall distance
- Even more precise thanks to angle setting with snap-in points and indentation (-1° and/or 47°)
- Guide wedge for safer work and simple positioning in existing joint
- Good view of scribe line and saw blade thanks to the new flush and moveable viewing window
- Improved dust extraction thanks to the new shape of the extraction duct
- Simpler operation with the double cutting depth scale (with/without guide rail)
- More benefits: splinterguard, FastFix, play adjustment without the need for tools, quick brake, etc.

Specifications:

Power consumption 1200 W

Idle engine speed 2000-5200 min-1

Saw blade diameter 160 mm

Inclination -1 / +47 °

Cutting depth 0-55 mm

Cutting depth at 45 degrees 0-43 mm

Cutting depth at 45°/90° 0-43/0-55 mm

Connection Ø d/e 27/36 mm

Weight 4,5 kg

Price

£395.00 (Product reference 3243-0)
