

Fisher Ls20/40 Clipfix Electrical Conduit Fixing

Building materials

Concrete

Solid pumice block

Solid sand-lime brick

Natural stone with dense structure

Solid brick

Advantages

The complete element combines anchor, screw and clamp. This saves materials, allows for one-handed installation, and reduces assembly time.

The slimline geometry of the fixing element only protrudes slightly, thus saving space.

The long-lasting nylon material is flame resistant, halogen- and silicone-free, can be used all year round, including during a frost. This ensures a high level of safety. PER 100
