

Osmo Wood reviver

Perfect for refreshing and cleaning greyed wooden surfaces

Recommended on greyed surfaces such as decking, timber cladding and garden furniture

Regains the wood's natural character and almost original colour

Free from odour and is biogradable

1 litre covers approx 10-30 m2 (depending on the level of greying and soiling)

Available in 500 ml and 2.5 litres

Use: Depending on the level of greying, either pure or thinned with water. Leave for 20 minutes, remove using a hard bristle brush (supplied free with 2.5L) and lots of water
