

Gorilla Tape - 11m handy roll

Gorilla Tape has taken duct tape to a new level. Gorilla Tape's toughness surpasses ordinary tapes, making the list of uses virtually endless. Made with double thick adhesive, strong reinforced backing, and a tough all-weather shell, it's the biggest, strongest, toughest tape yet. It sticks to rough and uneven surfaces, including wood, stone, stucco and brick, that ordinary tapes can't hold. To us, it's made the way tape should be: The Toughest on Planet Earth.

Price

11 metre roll - one roll (Product reference 3934-9125)	£3.14
11 metre roll - two rolls (Product reference 3934-9126)	£5.15
