

Universal micro tool system

The Robert Sorby Universal Micro Tool System is the only interchangeable micro turning system available. The complete set consists of 18 interchangeable blades, cutters and attachment heads enabling the turner to accomplish all miniature projects with ease.

The system can be custom built by adding blades, cutters or head of choice. Alternatively the system is available in five bespoke sets containing the appropriate tools for each turning project:

- Micro spindle set (88HS)
- Micro hollowing set (87HS)
- Micro pen turning set (86HS)
- Micro spiralling set (370/A)
- Micro sandmaster (888SM)
