

Fullbrook Latch =

The Fullbrook Iron Company is a new collection of antique black ironmongery marketed by Kirkpatrick Ltd. A comprehensive range of products is available including lever handles, knockers & letter plates for your front door, matching stays & fasteners for your windows together with cupboard knobs and hat and coat hooks for interior use all at competitive prices. All products are supplied in polythene bags and outer boxes with fixing screws and spindles included where necessary.

To prolong the life and appearance we recommend lightly lubricating any moving parts and also wiping over the surfaces with a lightly oiled cloth from time to time.
