

Jedo Sss Flush Pull 100 X 50mm =

FRELAN RECTANGULAR FLUSH PULL 428B

A stainless steel flush pull handle, made using grade 304 stainless steel from Frelan Hardware's new range. It has a modern and simple rectangular shape. Available in satin or polished finishes to suit a wide range of modern appliances and fittings.

Inset handles are most commonly used on sliding wardrobe and cupboard doors. Set flush into the door they are low profile, streamlined, stylish and neat in finish. These flush pull handles are great for commercial properties, they are also easy and simple to use.

Supplied in SINGLES complete with fixings.
