

Aq4sn Calla - Lever On Round Rose Satin Nickel=

The Calla door handle is part of the Manital Carlisle Brass Designer Range. It is a simple, but beautifully designed cylindrical lever with a T-shaped design that sits on a round rose. It incorporates the Carlisle Brass 'quality hot stamping' process for a strong and reliable design. Available in polished brass, polished chrome, satin chrome and satin nickel finishes, making it ideally suited to a modern decor scheme in contemporary style homes. They are also a popular choice in offices where a modern design is appropriate
