

Classic vacuum bottle 1 Litre (1.1Quart)

Sturdy, robust, a famous classic.

When you have to work on a remote site, or any site without power, if you want a hot drink you have to take it in with you. Keeping your tea or coffee (or hot chocolate) nice and hot is the challenge.

Stanley vacuum bottle flasks are the answer!!

The Stanley Classic vacuum bottle is a the ideal choice for when you need kit that is tough enough to take a few knocks and still do the job.

Fully leak-proof, and able to keep drinks hot or cold 28 hours or iced for 150 hours, it is ideal for outdoor trips and tough enough to survive on site.

Available in several sizes and a choice of colours.

*** If we do not have your chosen colour in stock we will send an alternative if we have one available. If you do NOT want us to do so please say so in the "notes" section when placing your order. ***
