

Atmosvent 35mm Vent Brown with Chrome Opener=

ATMOSVENT®: ROOF VENTS
BROWN WITH CHROME OPENER

Quality Vents That Last

Atmosvent® roof vents are made-to-measure to suit nearly all rafter spacing requirements. Atmosvent® roof vents provide an ideal ventilation solution and can also help to reduce heat gain.

The Atmosvent® Aluminium range offers long-term durability in the most extreme environments, and is available in four thicknesses to suit nearly all glazing requirements. Atmosvents® are supplied unglazed for customers to fit their preferred glazing sheet option.

Unlike many conventional glazing vents, Atmosvent® has a track record of success with no reported leaks or product failures.

Atmosvents® are readily available with the options of electric openers and climate control to provide the most practical solution to your individual requirements.

The incorporation of the thermal breaks in the aluminium structure helps prevent cold external temperatures reaching the inside surfaces and causing excessive condensation.

Qualities

Allows Essential Air Change

Reduces Room Temperatures

Long Lasting

Virtually maintenance free

Removable lid

Electronically operated (Optional)

Automatic climate control with rain sensor (Optional)

Robust design

Thermally broken

Common uses

Conservatories

Swimming Pools

Industrial Skylight

Shopping Malls

Horticultural and Greenhouse Applications

Equestrian Centres

Livestock Areas
