

Micro Deep U-gouge set - MT500 BRI_102649

Flexcut Micro Tools make the job of carving those extra fine details far easier, letting your woodcarving come alive. This set features four micro deep U-gouges. It comprises MT27 1.5mm, MT28 2mm, MT29 3mm and MT30 4mm. These deep U-gouges give you exceptional control when carving fine details such as mouths and eyes or adding texture such as hair, fur and feathers. The well-shaped ash handles fit perfectly in the hand, overall length: 142mm. Made in USA
