

Anvil Newbury Lever Latch Aged Brass 91415=

Product information

Backplate Size: 152mm x 50mm x 8mm

Handle Length: 124mm

Additional information

The newbury set is part of the period range of sprung lever handles. The simple and slender design fits well into many different property types.

Our weighty newbury lever handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

The unlacquered brass achieves a timeless elegance, highly polished on all surface areas but aged to highlight the detail and design. This will tarnish in time as part of the ageing process but can be polished time and time again if a natural sheen is desired.

This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.

Lever handle for internal doors where locking is not required.

Set includes 2 lever latch handles.

Can be used with a tubular mortice latch.

Supplied with matching SS wood screws.
