Handle Length: 132mm
Fixing Plate Size: 63mm x 17mm x 4mm
Keep Size: 63mm x 14mm x 4mm
Keep Projection: 25mm

Additional information

A classic Regency style handle designed to offer security whilst providing some ventilation. It is night venting and can therefore be locked in both the open and shut positions.

The design matches the Reeded stays and door handles in our range and is made from solid brass with a stylish reeded end.

The unlaquered brass achieves a timeless elegance, highly polished on all surface areas but aged to highlight the detail and design. This will tarnish in time as part of the ageing process but can be polished time and time again if you want to achieve a more contemporary finish.

The fastener has a locking mechanism by way of grub screw and comes supplied with two receiver or keep plates for both left and right handed windows.

Sold with key and fixing screws.

Finished in Aged Brass
