

Anvil Tunis Monkey Tail Stay 10" Beesmax

Product information

Overall Length: 315mm

Stay Arm: 270mm

Fixing Plate: 59mm x 18mm

Additional information

This stay has a very delicately, hand-crafted end detail that is unlike any other stay available. The monkey tail is fashioned on the anvil to a beautiful delicate shape not achievable by mass production ie casting.

The monkey tail stay design lends itself ideally to a cottage environment and can be matched up with the Monkeytail Fasteners or Espagnolette handles to create a uniform look.

Supplied with necessary fixing screws.
