

Kirkpatrick B116 Brass Locking Pivot

Locking pivot 116 for use with casement stay. This locking pivot substitutes for the normal pivot supplied with Kirkpatrick's British made malleable iron casement stay enabling the window to be locked. Additional security can be achieved by also using one of Kirkpatrick's lockable casement fasteners.

Comes in a smooth brass finish.

*** Due to low demand, Kirkpatrick has discontinued the entire Cast Brass range. We apologise for any inconvenience. ***
