

700T Silicone

Everbuild 700T Silicone is a low modulus, neutral, oxime cure RTV silicone sealant that adheres to a wide range of both porous and non porous surfaces without the need for priming.

Everflex 700T Silicone is formulated to a high viscosity to give excellent tooling properties.

USES

Perimeter pointing internally and externally around PVCu /wood and all other window frames

Sealing and as an adhesive onto PVCu, plastic trims and components

Suitable as an expansion joint sealant
Weather sealing and joint sealing to pre-formed panels

Sealing soft metals such as lead, copper and zinc
General draught proofing
Parapet and roof weather sealing applications

Excellent adhesion - adheres to most common surfaces including glass, metals, plastics and wood

Low dirt pick up - important in PVCu work
Good external weathering properties
Suitable for use on polycarbonate

Price

Silicone 700T Clear Per box of 25 (Product reference 9187-20799)	£84.07
Silicone 700T White Per box of 25 (Product reference 9187-20817)	£84.07
Silicone 700T Black Per box of 25 (Product reference 9187-20818)	£84.07
Silicone 700T Brown Per box of 25 (Product reference 9187-20819)	£116.47
Silicone 700T Caramel Per box of 25 (Product reference 9187-20820)	£84.07
Silicone 700T New Bronze Per box of 25 (Product reference 9187-20821)	£116.47
Silicone 700T New Mahogany Per box of 25 (Product reference 9187-20822)	£116.47
