

# Anvil 33397 - Pewter Beaten Ball Curtain Finial

A very stylish solid steel ball shaped finial which shows all the hammer marks left by From The Anvil's skilled blacksmiths to create a desirable beaten finish.

This item is used to finish off your curtain pole in a simple yet stylish way.

Can also be used to fix to our large pull handles and create another stylish element to your home/business.

When choosing your end detail always remember to allow enough space for the overall length of the chosen finial.

Finials are always sold in pairs.

Finish: Pewter

Diameter: 41mm

Projection: 54mm
