

CT-XL cargo tote bag

4 in stock - 1st September 2021

Designed to stand up to the rigors of daily use, the Cargo Totes™ feature 1800 Denier Body Fabric, leather handle grips and Veto's signature 3mm thick polypropylene waterproof base. Veto Pro Pac's patent pending design keeps the Cargo Totes™ standing upright and open at all times for easy access, a feature not seen on other tote products.

The CT-XL has

Been load tested to destruction at 2215 lbs (handles started to break at that weight/force).

5 Tiered Pockets

Dimensions:

H: 16.5" (419mm)

L: 17.0" (432mm)

W: 9.5"

D-rings: 2 Large and 2 Small

3mm Thick Polypropylene Waterproof Base

1800 Denier Body Fabric

Leather Handle Grips

The CT-XL has 40% more cargo storage space than the CT-LC; it offers the ultimate bulk storage capacity for larger tools and accessories such as hammer drills, extension cords, boots, sawzalls, and air hoses.

An optional shoulder strap is sold separately.

In addition to use on the job-site, the Cargo Totes™ are multi-use bags and IDEAL for:

Outdoor activities (hunting, fishing, camping, boating, sports equipment storage)

Everyday home storage

Secondary travel bags
