

Contractors Builders Wheel Barrows 85L Camden GALV, also spares,

Chillington's CAMDEN CLASSIC GALV is the Galvanised version of the UK's fastest selling 85 Ltr wheelbarrow. A power horse with an amazing value!

The Camden is the Epitome of the British wheelbarrow, comes equipped with an 85 Ltr Galvanised steel protection tray, ideal for the outdoors, with a British style design. The Black frame is very reliable with a one piece tubular design. The tray of the Camden has a specific narrow design that allows easier access through doors, front tray supports that add strength to the overall design, everlasting grips and two wheel options: pneumatic and solid.
