

Rawlplug Countersunk Concrete Screw Anchor

R-LX-CS-ZP Zinc Plated Countersunk Concrete Screw Anchor

Features and benefits

Time-efficient installation through streamlined procedure - simply drill and drive

Completely removable with possibility of reuse

Unique design with patented threadform ensures high performance for relatively small hole diameter

Non-expansion functioning ensures low risk of damage to base material and makes R-LX ideal for installation near edges and adjacent anchors

High performance in non-cracked concrete

Different head types for any application

Oversize head for fixtures with elongated holes

Excellent product for temporary fixing

Suitable for standard and reduced embedment depth
