

# Comfort Safety Glasses - Amber - Clear - Smoke

Lightweight safety glasses with soft arms to give extra comfort and grip around the ears and temples when worn for long periods. The amber lenses are for sharp visibility in low-light conditions. They also enhance contrast and depth perception and are great for overcast, hazy and foggy conditions. Treated with an advanced micro coating to prevent scratches.

- One size fits all
- Moulded silicone temples for comfort
- Frameless design for improved vision
- Anti-scratch lens coating
- Grade F impact lenses - Optical Class 1
- UV Protection

### Comfort Safety Glasses

Lightweight safety glasses with soft overmould to arms giving extra comfort and grip around the ears and temples when worn for long periods.

**Clear Lens:**  
For most applications conducted in normal light conditions.

**Amber Lens:**  
For brighter vision and improved contrast when working in poor light or overcast weather.

**Smoke Lens:**  
For bright light or sunny conditions to maintain vision but protect the eyes from sun glare.

**CE Approved**
