

HSS Super Pro 25 Piece twist drill set

These are precision ground steel drill bits . Manufactured to DIN338 standards, 135 degree split point tip for drilling without pre-centring. The ground cutting edge offers fast drilling and perfect finishing, while the ground flute ensures fast chip removal. These drill bits are industrial quality, we have sold these through our shop for 20 years and customers always return to buy more.

Manufactured from high quality High Speed Steel and hardened for superb strength. Right hand cutting at 30 degrees. Suitable for drilling cast iron, sheet metal, non-ferrous metal, steel stainless steel, brass, wood and PVC.
