The HP7XDL Flashlight is the ultimate light for anyone needing beam distance. By combining Coast's Long Range Optic System with Slide Focus and a lightweight body you can see clearly near and far. With the Long Range Focusing Optic, the power to illuminate and scan nearfield objects combines with a piercing light that goes the full distance. The X-Range Spot beam shines COAST's longest beam. The Broad View Flood beam delivers an even, sweeping circle of light. With high, medium, and low modes with the slide focus, this light is immediately adaptable to a variety of situations.

With Coast's commitment to quality, the HP7XDL Flashlight is impact resistant, weather resistant and its LED is virtually unbreakable. The HP7XDL Flashlight is backed by Coast's lifetime warranty against defects in materials and workmanship. Tested and rated to ANSI/FL1 standards.
