

Bathroom Locks - All finishes

Bathroom locks are used on internal bathroom or toilet doors with latch levers, knobs and levers on a rose.

The popular size is 2 1/2"

3" are only normally ordered with knobs sets so that you don't catch your knuckles when closing the door.

We offer all the colours which match up with our handles, knobs and levers.

Suitable for Round Rose furniture requiring Bolt through fixing

Usage - used with lever bathroom furniture (not Privacy)
