

# 700 Series Nylon Faced Hammer

Plastic Handled Hammer with chrome plated Zinc head and replacable nylon faces.

Used, due to the easily interchangeable heads, as a multi purpose striking tool in most assembly applications including engineering, furniture, shopfitting, partitioning, double glazing, injection moulding dies etc.

Fitted as standard with two screw in White Nylon faces.

Alternative faces, colour coded to distinguish hardness are also available.  
 Faces are designed to wear and are replaceable.
