

Osmo Wash and Care 1L,5L&10L

Osmo Wash and Care Description

Osmo Wash and Care is a special cleaning concentrate for wooden and cork floors with Osmo Hardwax-Oil (Polyx®-Oil) surface and other oiled/waxed wooden surfaces. Osmo Wash and Care is also suitable for varnished floors, stone floors, plastic, PVC and other water resistant surfaces.

Osmo Wash and Care is highly effective and water soluble for quick, easy and thorough floor maintenance - even for large high traffic areas. Osmo Wash and Care makes the floor surface more resistant against soiling and water.

Simply add to water and wipe the floor with a moist cloth or mop. Ideal for this purpose is the usage of the Osmo Opti-Set (with the white Micro-mop Plush).

It cleans the surface and freshens up the floor at the same time. Osmo Wash and Care does not form a film on the surface and therefore can be used as often as necessary without removing residues of the cleaner in a general cleaning step.

Does not leave stripes or traces of residues.

Price

1L Osmo Wash and Care (Product reference 1747-4221)	£11.95
5L Osmo Wash and Care (Product reference 1747-4222)	£48.80
