

# 16 Gauge Straight Brad Nails without gas

FirmaHold 16 gauge straight brads (second Fix).

Suitable for use in cordless and pneumatic brad nailers.

Stainless steel must be used where there is a corrosive environment and/or where the base material has inherent corrosive characteristics, eg: green oak or cedar.

Diamond point for maximum penetration and T Head to give concealed fixings.

Coatings and materials:

Galvanised: 4 microns of electro galvanised plating, suitable for indoor or outdoor application.

Stainless Steel (SS): A2 stainless steel for high levels of corrosion resistance.

Please note: Gas is NOT included.
