

Skew Chisel - Rectangular Profile - 810

These Skews are rectangular in section which gives the tool extra weight helping with control. This makes them ideal for large spindle work such as newel posts, table legs and bed posts.

The 1/2" and 3/4" measure 16 1/4" overall length and are fitted with 10" handles.

The 1" and 1 1/4" measure 18 1/4" and feature 12" handles.

*** By purchasing this product, you are confirming that you are AGED 18 or over and that the person receiving the delivery is also over 18. Please note that we do occasionally ask for proof of age. ***
