

# Espagnolette - Tee Knob Set

The magnificent ES35 Espagnolette Bolt from Carlisle Brass. These Espagnolette bolts (pronounced ih-span-yuh-let) are a benchmark of quality, manufactured to the highest standard, from Solid Brass. An espagnolette is a locking device, normally mounted on the vertical frame of a French door or large casement window. The knob connects to the gearbox, which operates the two rods. Operating the handle rotates the rod, which locate into sockets at the top and bottom of the door opening.

To suit inward & outward opening doors, comes with 2 x 1.2m Rods and Mortice Keepers. Backplate; 140 x 38mm

Supplied with; 2 Rods x 1.2m
