

Osmo Wood Wax Finish Clear Extra Thin

Osmo Wood Wax Finish Clear Extra Thin Clear, satin-matt for interior use

Osmo Wood Wax Finish Clear Extra Thin is especially recommended for exotic woods such as Merbau, Wenge, Jatoba etc.

Osmo Wood Wax Finish Clear Extra Thin is particularly deep-penetrating, retains the natural character of the exotic wood

Surface is fully protected, becomes water-resistant and will be able to breathe

Osmo Wood Wax Finish Clear Extra Thin is available in 0.75, 2.5 litre drums

1 litre covers approx 16 m2 with 1 coat

Number of coats: 2 coats on raw wood, 1 coat for surface renewal - no sanding necessary!
