

Cast Iron Table Saw - 10" 3hp

A heavy-duty professional table saw to cope with any task.

This saw has a large cast iron table to ensure flatness and comes COMPLETE WITH two cast iron extension tables and a cabinet stand.

The sturdy, full-length rip fence with a Quick-lock, micro adjustable lock ensures accuracy and for mitreing the saw has a heavy-duty cast mitre fence.

Effective dust extraction is via a 100mm outlet.

Supplied with:

10" TCT Saw Blade.

Cabinet Stand

Mitre guide + pushstick
