

3923 Pirate style trousers with holster pockets

SORRY NO MORE AVAILABLE UNTIL NEXT YEAR

When the weather is hot you don't want to be wearing full length kit that keeps all the heat in... but in shorts you won't have protection for your knees, so what is the solution?

Answer - These fantastic Pirate Style trousers from Snickers Workwear!!

Snickers Workwear have produced another winner with these.

Made from durable Rip Stop fabric with a wide range of functional pockets, these are the perfect work trouser for the warm weather.

Offering maximum comfort in use the Snickers Workwear design allows for effective ventilation without compromising the durability of the garment. And you don't lose those all important kneepad pockets for those Snickers kneepads that help to protect those knees!!

Available in a range of Sizes and Colours.
