

# Osmo Raw 3044

For wooden floors, furniture surfaces and work tops  
Perfect for light coloured wood species

## Product description:

Transparent-tinted, matt wood finish, which combines all the advantages of oils and waxes in one unique product. Osmo Polyx®-Oil Tints Raw are resistant to water and dirt, very durable and smoothen wood surfaces. The Polyx®-Oil Tints Raw protects the wood almost invisibly. The original look of the wood can be kept – no emphasizing of the natural colour of the wood (no wetlook-effect). In comparison to conventional finishes, the natural vegetable oils and waxes allow for a harmonic, smooth surface result. Easy application – no need for a primer or sanding between coats – saves time and money. It meets the wood's natural demands: It is microporous and does not crack, flake, peel or blister. Resistant against wine, beer, cola, coffee, tea, fruit juice, milk and water in accordance with DIN 68861-1A (German industrial norm). When dry, the finish is safe for humans, animals and plants and is suitable for children's toys as per EN 71.3 (European norm) and fast to perspiration and saliva in accordance with DIN 53160 (German industrial norm).
