

## Alverley Fb4975=

### MARCUS BLACK IRON ALVELEY ROUND MORTICE DOOR KNOB FB4975

A simple black mortice door knob that has a round shaped knob on a round back. This black iron door knob is part of the latest smooth, black iron range from M. Marcus.

To meet modern design preferences M. Marcus have removed the deep surface indentations found in traditional black ironmongery. Leaving only the natural surface grains to create a rustic yet smoother contemporary appearance. These black iron door knobs will complement traditional solid wooden and hollow flush doors.

All the black door knobs in this collection are made from malleable iron, treated with zinc phosphating process and then powder coated that has unique UV protection added to the coating process making these handles a great choice for external use.

Dimensions:

Knob: 57mm

Projection: 73mm
