

# Cabinet Hardware Fb3622=

## MARCUS BLACK IRON SQUARE CUPBOARD KNOB FB3622

Simple square shaped black iron cupboard knob that has a raised design with four squares. Part of the latest smooth, black iron range of external hardware from M. Marcus, perfect for creating a unified look in your home.

To meet modern design preferences M. Marcus have removed the deep surface indentations found in traditional black ironmongery. Leaving only the natural surface grains to create a rustic yet smoother contemporary appearance. These black iron cabinet knobs will complement traditional solid wooden or light coloured doors. Through use and time, the metal will not be affected by the elements due to quality and production process.

The smooth black cupboard knobs in this collection are made from malleable iron, treated with zinc phosphating process and then powder coated that has unique UV protection added to the coating process to maintain the black colour and prevent fading.

Supplied in SINGLES complete with fixings.

Dimensions:

Knob: 32mm

Projection: 27mm
