

Turn & Release - Square - Polished chrome - JV4266PC

A simple but good quality, square turn and release from Frelan Hardware. It has a small handle for easy grip and is available in a selection of chrome finishes (polished and satin) to match Frelan's door handles and knobs and other modern home wares and fittings.

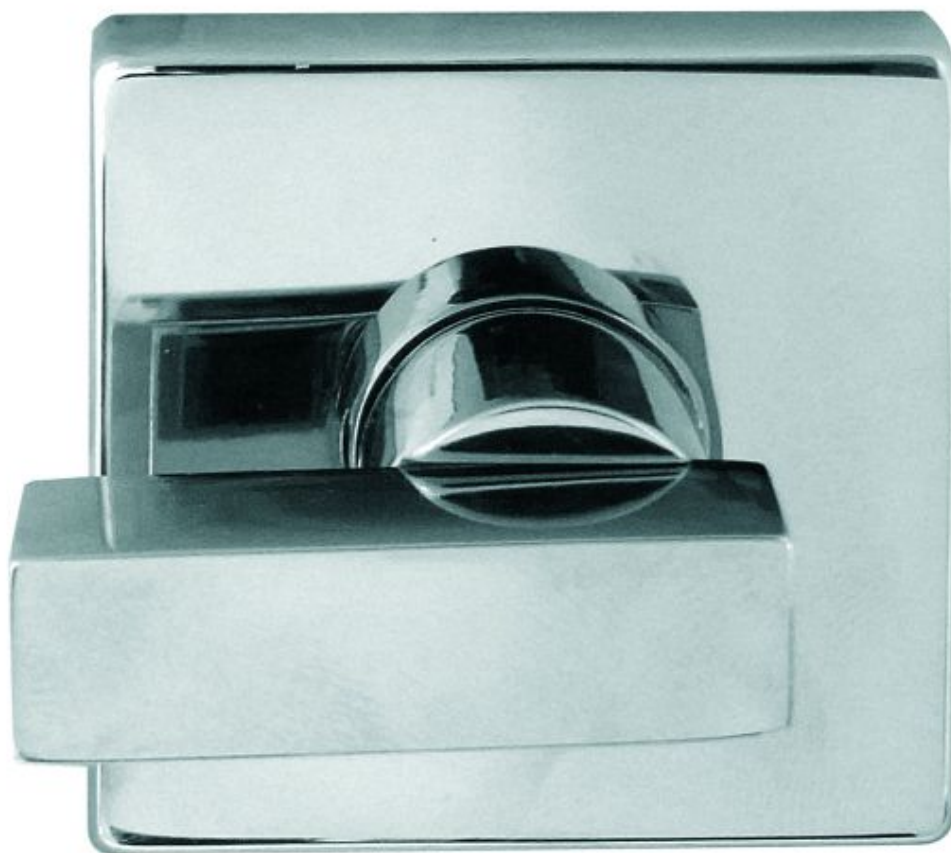

Part of the Paja Collection from Frelan Hardware, a range of levers and hardware manufactured in Portugal from solid brass.

Supplied in SINGLES complete with fixings
