

Jedo Arte Lever On Sq.rose Polished Chrome=

FRELAN ARTE DOOR HANDLE ON ROSE - JV5001

The Arte door handle sits on a square rose that has rounded edges and the lever has a smooth slightly curved shape and grows larger towards the end to give a heavy, quality look and feel as well as comfortable grip during use. It is available in fresh metallic finishes of polished or satin chrome to match a variety of other chrome fittings and appliances in modern settings.

From the designer Mariani range by Frelan Hardware we have this chrome door handle on rose. This collection has high quality brass and zinc handles that have been designed and manufactured in Italy to a high quality, the handles have a rich and designer look and feel.

The chrome lever on square rose is for use on internal, locking and bathroom doors. Internal doors need a standard lever set, for locking doors the lever set needs escutcheons. For bathroom doors, opt for a turn and release.

Supplied in PAIRS complete fixings.
