

Jedo Klaudia Lever On Rose Polished Chrome=

FRELAN KLAUDIA DOOR HANDLE ON ROSE - JV594

The Klaudia door handle has a chunky, rectangular shaped lever that has a heavy, quality look and feel which sits on a square-shape sprung rose. A perfect handle for contemporary, minimalist design themes with sleek, sharp lines.

Available in polished or satin chrome, this chrome door handle will match a variety of other chrome fittings and appliances in modern settings.

From the designer Mariani range by Frelan Hardware, this collection has high quality brass and zinc handles that have been designed and manufactured in Italy to a high quality, the handles have a rich and designer look and feel. Matching Mariani fixings (escutcheons, turn and releases) available at More Handles.

The chrome lever on square rose is for use on internal, locking and bathroom doors. Internal doors need a standard lever set, for locking doors the lever set needs escutcheons. For bathroom doors, opt for a turn and release.

Supplied in PAIRS complete with square spindle bar and fixings.
