

Cage suite - Lock latch - Pewter

FRELAN PEWTER EFFECT CAGE DOOR HANDLE - IRC4001

The Pewter Effect Cage Door Handle IRC4001 is a pewter lever door handle on backplate from Frelan Hardware. With a cage design at the end of the lever that creates a very rustic and traditional look and feel on a classic shaped backplate available in lever lock, lever latch and bathroom locking backplate versions.

The design and natural, rustic pewter finish is perfect for period properties, country cottages or for adding a classical touch in a more modern home.

Supplied in pairs complete with fixings.
