

Letter plate 295 x 71mm - UPVC - Silver

This telescopic letterplate is from Frelan Hardware's PVCu furniture. The letterplate has a brush seal.

This letter plate offers superior corrosion resistance with the quality finishes; silver, gold or white applied. This variety of finishes ensures the letter plate will suit most doors.

Part of the PVCu range from Frelan Hardware. This collection of PVCu fittings includes letter plates, casement fasteners and lever handles that are equally at home with PVCu or wooden doors and windows.

Suits doors that are 38-65mm thick.

Overall Size: 295mm x 71mm

Aperture: 256mm x 38mm

Fixing Centres: 27mm x 6mm
