

Jedo Oval Flush Pull 130x50mm Pss=

FRELAN RADIUS FLUSH PULL 429B

A stainless steel recessed pull handle, made using grade 304 stainless steel from Frelan Hardware's new range. It has a modern rectangular shape with rounded edges at each side of the handle. Available in satin or polished finishes to suit a wide range of modern appliances and fittings.

Inset handles are most commonly used on sliding wardrobe and cupboard doors. Set flush into the door they are low profile, streamlined, stylish and neat in finish. Making these flush pull handles great for commercial properties, they are also easy and simple to use.

Supplied in SINGLES complete with fixings.
