JH1190 FRELAN PALMA GLASS MORTICE DOOR KNOB

SPRUNG

This spherical shaped glass mortice knob is manufactured from high quality optical-grade glass and issued here in a clear colour with lined detailing around the face of the knob. Part of Frelan Hardware's new range of glass furniture which offers a huge selection of styles, colours and designs.

These Palma glass knob designs combine the classic design of glass knobs with a contemporary twist of fresh metallic finishes on the rose. Mounted on a polished or satin nickel rose, these fresh metallic finishes will add to the sparkle of the glass door knob. The rose is fixed to the knob and hides the fixing plate.

These mortice door knobs are SPRUNG and so can be fitted with a standard tubular latch - see links below.
Supplied in PAIRS complete with fixings.
