

Treatex Anti Slip Decking Oil 2.5l-

Treatex Anti-slip decking oil 41200h for use on top of Treatex Exterior coloured oils.

Features

Suitable for treated and untreated timbers

Easy to apply

Solvent free

Water resistant

Contains no biocides or toxic ingredients

Safe for use on children's toys

Suitable for outdoor use

Usage

Suitable for: External use

Recommended timbers: Suitable for use on most species of treated and untreated decking and other timbers

Applications: Decking, steps and exterior wooden walkways

Coverage

2.5L will cover approximately 17.5m²-25m² in one coat depending on the wood type (rough, sawn, planed). In corrugated timber, consumption may double, due to the increase in surface area.

Price

£63.36 (Product reference 6683-0)
