

ANVIL 33826 Black Avon Euro Lever Lock Set=

Product information

Backplate Size: 152mm x 48mm

Handle Length: 110mm

Centres: 47.5mm

Additional information

The Avon set is part of the blacksmith's range of sprung lever handles that is individually forged in steel on an anvil and is a very striking, contemporary handle that looks great on any type of house, old or new.

This handle has a strong spring incorporated into the stylish extruding boss design to give both functionality & elegance.

Will fit all standard British Euro locks and all handles come complete with matching fixing screws.

To be used in conjunction with a Euro sash lock and Euro cylinders.

Suitable for internal or external use and sold as a set.

Finished in powder coated Black
