Product information

Overall Size: 3 1/4" x 1 1/4" (82mm x 32mm)

Fixing Plates: 3 1/4" x 1/2" (82mm x 12mm)

Additional information

These H Hinges are ideal when hanging cabinet and cupboard doors or can also be used with window shutters.

They are hot forged i.e. drawn to shape, not welded or fabricated and with the knuckle being fashioned in the traditional way it makes for a very strong product.

Fixing is very easy as they are surface fixed with screws to the frame and the door.

Sold as a set and supplied with necessary fixing screws.

Suitable for use internally but can be used externally if in a protected porch etc. Maintenance instructions must be followed to preserve the finish of your product
