

ANVIL 33609 Pewter Tudor Lever Latch Set =

Pewter Tudor Lever Latch Set

Product information

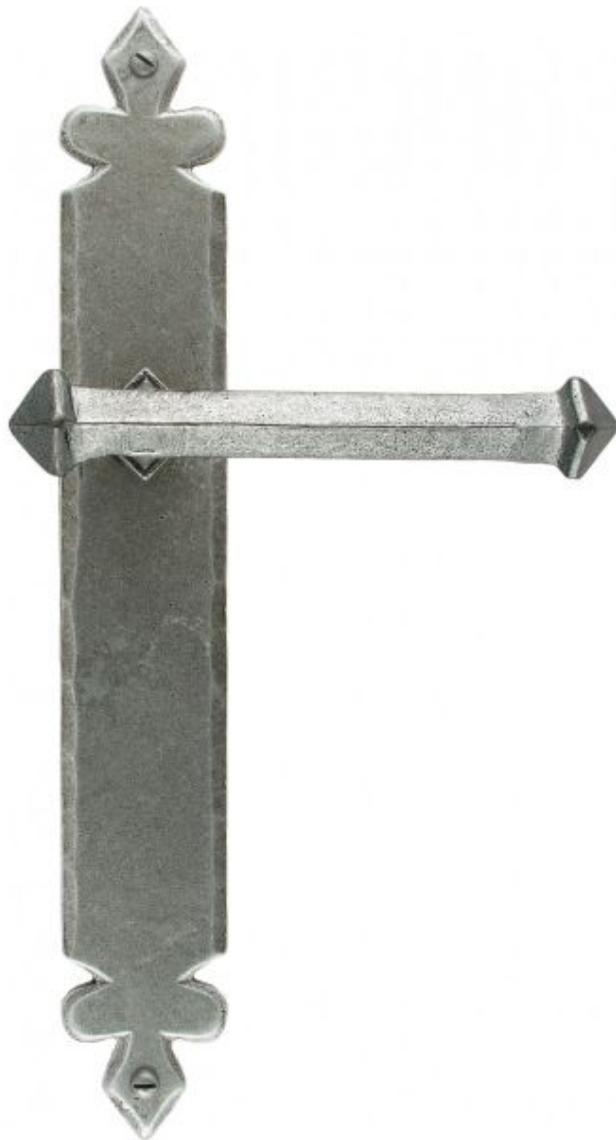

Backplate Size: 10 3/4" x 1 1/2" (273mm x 38mm)

Handle Length: 5 1/2" (138mm)

Additional information

The Tudor lever latch set is part of the blacksmith's range of lever handles that is individually forged in steel on an anvil. The pewter finish enhances every hammer blow making it a work of art. The handles are unsprung and therefore need a very strong latch, or alternatively if you already have a weak latch the spring unit cassette will increase the performance.

The handles come complete with both traditional screws and bolt through fixings to suit your preference
